MYSHA INAM

ABOUT ME

Enthusiastic university student currently pursuing a degree in Computer Software Development, with a strong love for learning and self-improvement. Enjoys working in team environments, helping teammates, and contributing ideas to group tasks. Passionate about editing, fashion, cooking, baking, and crafts, with a creative eye for detail. Especially enjoys making presentations and organizing information in a clear, engaging way. A confident communicator, quick learner, and reliable team player seeking paid internships or part-time opportunities to gain hands-on experience and grow professionally.
